

Pimushe

RESORT

7376 Pimushe Trail N.E.
Bemidji, MN 56601

We invite you to enjoy with us our location in the heart of the Chippewa National Forest.

Cabins are spaced for privacy at lake level, each with a picturesque view.

Pimushe Lake has many miles of underdeveloped shoreline and is 7 miles long. The lake is narrow, which makes it seldom too rough for fishing or boating. It also has the excellent possibility for a nice stringer of fish.

To book your reservation or to ask about special interests contact your hosts:

Ed, Joanne & Kendall Fussy.
